We will introduce a motion for \$6,000. Once the North Figueroa Association is ready to allocate \$6,000 either by check or transfer as directed by LADOT we will introduce a second, different motion.

Hi Conrado,

I spoke with my accounting and they said the account number will be determined at a later date. They asked if you can include that language in your motion that such account number be determined at a later date.

Also, can you include language that gives LADOT the authority to issue a change order to our contract (C-128755) with Axiom?

In speaking with my accounting, if LADOT accepts the \$6,000 donation from the North Figueroa Assn, we will not be able to pay my contractor using the donated funds. Is it possible for the Council Office to accept

the donated \$6,000 from the North Figueroa Assn, and then transfer both CD1's \$6,000, and North Figueroa Assn's \$6,000 to give LADOT the entire \$12,000?

Thanks!
